COAST SUPREME MOTOR OILS

Coast Supreme Motor Oils are specifically formulated premium quality automotive engine oils meeting the most demanding lubrication requirements for virtually all diesel and gasoline engines. Coast Engine Oils provide flow at low temperatures, high viscosity for high temperatures, superior detergent/dispersant additives and friction reducing properties to promote superior engine life and performance.

TYPICAL TEST DATA

SAE GRADE	5W-30	10W-30	10W-40	20W-50	30	40
APPEARANCE	Pale	Pale	Pale	Pale	Pale	Pale
GRAVITY API	32	31	29.2	29.6	27.2	26.8
FLASH COC, °F	410	410	420	435	430	460
POUR PT, °F	-38	-35	-35	-26	0	15
VISCOSITY						
CST AT 100 °C	10.4	10.3	14.5	18	11.3	14.4
CST AT 40 °C	63	68	99	163	96	135
CP AT -20 °C		2800	3200			
CP AT - 10 °C				4300		
CP AT - 25 °C	3200					
VISCOSITY INDEX	165	145	160	140	105	108

APPLICATIONS: API Service Classifications SM
 5W-30, 10W-30 For ILSAC GF-4, SM ENERGY CONSERVING
 10W-40 SM; 20W-50 SL
 30&40 SF, CF2

DISPOSAL: Used oil must be handled with caution and should be sent for recycling.

Manufacturers' Performance Requirements Ford ESE-M2C153-C (SAE 5W-30, 10W-30),
 Nissan Ka 24E, WSS - M2C153-F (SAE 5W-30, 10W-30), General Motors GM 9986125 (SAE
 5W-30), GM 9986126 (SAE 10W-30).
