Developers and Manufacturers of Fine Petroleum Products Since 1935

PRODUCT INFORMATION

Coast Multi-purpose Automatic Trans Fluid

Coast MP ATF is manufactured using highly refined paraffinic base oils and selected additive package which includes a shear stable V.I improven. This additive package provides superior thermal and oxidation stability, corrosion and wear protection and will prevent the formation and accumulation of deposits and sludge. Coast MP ATF is a multipurpose power transmission fluid for use in most Pre-2006 transmissions built by G. M. Ford and other makers.

TYPICAL TEST DATA

APPEARANCE	Red
Color, ASTM D-1500	2.5
VISCOSITY	
CST AT 40C°	36.0
CST AT 100C°	7.2
VISCOSITY INDEX	169
Flash Point (PMCC) C°	>170
Pour Point	>41

APPLICATIONS: Acceptable in passenger cars and light trucks in Pre-2006 G.M. and Ford/ always check owners manual when choosing ATF. G.M vehicles manufactured in 2006 and beyond typically require Dexron VI Fluids, while Ford vehicles manufactured during or after 2006 may require Meron V.

DISPOSAL: Used oil must be handled with caution and should be sent for recycling.
